

**GetConnected™**

March 21, 2011

**To All Partners, Distributors, Suppliers and Financial Institutions of Yamazen, Inc.  
Vega Tool Corporation and Plustech Inc.**

At our Osaka, Japan headquarter this week, an announcement regarding certain personnel changes were made which will become effective April 1, 2011.

Mr. Kouji "Kevin" Kishida, most recently Vice President of Yamazen, Inc., will assume the duties and responsibilities of President and Chief Operating Officer of Yamazen, Inc. Mr. Kishida, having spent the previous 17 years in Chicago, has the product knowledge, vendor relationships and local staffs support to fulfill the responsibilities of President and COO. In conjunction, Mr. Kouji Yamauchi will be returning to Japan with Mr. Kishida assuming the additional responsibilities of President of Plustech Inc.

Mr. James Hansen, currently a Vice President with Yamazen, Inc. will be promoted to Senior Vice President of Yamazen, Inc. Together, Mr. Kishida, Mr. Hansen, Mr. Scott Fernandez and Mr. Ryo Ozaki will make up the senior management team of Yamazen, Inc. as we face the challenges of a recovering economy amid an ever changing and competitive business climate.

In addition, Mr. Scott Fernandez, Vice President of Vega Tool Corporation, will be promoted to President and COO of Vega Tool Corporation and along with Mr. Tom Ishii as Vice President; they will continue to grow Vega Tool Corporation with current core products and new product diversification.

This announcement was made in Chicago this week as I also thanked all the staff members of Yamazen, Inc., Vega Tool Corporation and Plustech Inc. for their support, dedication and effort over the previous 12 months and ask that you join us as together we face the challenges of the coming year.

Thank you.

Mr. Masami Yamamoto,

CEO & Chairman

YAMAZEN INC.
