

NEWS RELEASE

**RE: AMBA Annual Convention
Las Vegas, NV USA**

During March 2 – 6, 2011, **VEGA TOOL CORPORATION** will be exhibiting at the **American Mold Builders Association Annual Convention** to be held at the Red Rock Casino in Las Vegas, Nevada.

VEGA TOOL CORPORATION will have on display its very own High Performance Taps from **Vega Taps** along with industrial tooling and supplies from leading manufactures such as: **Hitachi Tool Engineering** (index able and solid carbide cutting tools), **Minitor Company** (finishing and polishing tools) and **Kyowa** (CBN cutting tools).

VEGA TOOL CORPORATION will be sponsoring the Welcoming Cocktail Reception and a Lunch during the convention. Please visit with our representative during your convention stay.

If you will be attending this event please stop by our table top exhibit for a demonstration or visit: www.vega-tool.com
