

NEWS RELEASE

**RE: TECMA 2011
EXPO BANCOMER SANTA FE, MEXICO CITY, MEXICO**

During March 8 – 11, 2011, **VEGA TOOL CORPORATION** will be exhibiting at the largest machine tool and machine tool accessory show in Mexico: **TECMA 2011**, which will be held at the Expo Bancomer Santa Fe, on the outskirts of Mexico City.

VEGA TOOL CORPORATION will have on display its very own High Performance Taps from **Vega Taps** along with industrial tooling and supplies from leading manufactures such as; **Amano Corporation** (mist and dust collectors), **Minitor Company** (finishing and polishing tools), **Janome** (table top robot units), **Sony Manufacturing** (video microscopes and screw presenters), **SSD** (electrostatic and ionizer units), **Apiste Corporation** (cooling units and oil chillers) and **Nakanishi Corporation** (high speed spindles).

You may visit **VEGA TOOL CORPORATION** at booth # 252 or visit: www.vega-tool.com
